**POSITION PURPOSE**

Reporting to the Dean of Student Outreach and Retention, organizes, administers, manages, and evaluates a comprehensive financial aid office and delivery system for students, Extended Opportunity Programs and Services (EOPS), Cooperative Agencies Resources for Education (CARE), and designated student outreach programs for the District; ensures that the college’s policies are in agreement with federal regulations; maintains a high level of quality and integrity so as not to create institutional liability; and supervises staff.

**NATURE and SCOPE**

This position is responsible for evaluating financial aid and EOPS eligibility; award disbursement; defining and articulating program goals, philosophies, and standards; requiring approvals for federal and state funds; and making office budgeting decisions to maintain office equipment, supplies, and technical support.

**KEY DUTIES and RESPONSIBILITIES**

1. Plans, develops, organizes and directs assigned programs in accordance with State and Federal regulations to ensure that eligible students receive needed financial and educational assistance.

2. Develops and implements annual funding proposals, program plans, budgets, and final reports for areas of responsibility; develops goals and objectives, staffing recommendations, and capital outlay needs; articulates plan to others to provide direction.

3. Supervises the financial aid computerized delivery systems; allocates student financial aid resources; authorizes disbursement of funds; develops and maintains consumer information requirements for Federal financial aid; supervises awarding of financial aid including intake, analysis of student financial need, records maintenance for auditing, work study, and other related activities; prepares proposals and applications for Federal financial aid/loan funds and required fiscal reports.

4. Reviews legislation, code, policies, and procedures related to areas of responsibility; apprises others of pending or needed changes to current practice; recommends the development of or revision to related policies and procedures; designs departmental forms for both financial aid and EOPS programs.

5. Supervises monitoring of academic progress for Financial Aid and EOPS students; reviews and approves all student petitions to include professional judgment and need analysis.

6. Develops and directs the scholarship program, which includes interacting with current and prospective donors, receiving funds, advertising criteria, assisting students, selecting recipients, and notifying and disbursing funds.

7. Provides information and interpretation of regulations and guidelines to students, faculty, administration and the community relative to programs and services.

8. Develops, coordinates, and supervises recruitment programs for economically or educationally disadvantaged students, including outreach, retention, and follow-up efforts; plans, schedules, and presents informational workshops and presentations for local high schools; serves as liaison to targeted communities.
9. Hires, trains, supervises, and evaluates assigned staff.

10. Provides leadership and training for staff to ensure that staff remains aware of and familiar with policies and regulations governing assigned programs.

11. Researches, collects, assembles, analyzes, and maintains information/data; prepares or supervises the preparation of a variety of District, State, and Federal reports; presents reports; works with college staff to develop informational materials for assigned programs such as brochures, newsletters, handbooks, etc.

12. Represents the District at assigned local, regional, and state meeting; serves on committees; chairs the EOPS Advisory committee; performs other duties as assigned.

13. Supports, implements, and promotes compliance with the District's Diversity and Equal Opportunity Plan in all aspects of employment and education; encourages cultural and ethnic diversity in staffing, curriculum, programs, and services.

14. Assures compliance with the District's Injury and Illness Prevention Program by providing motivation, incentives, and discipline to assigned staff; maintains a safe work environment, enforcing safe work practices, reporting and investigating accidents, maintaining necessary documentation, and requiring employees to receive mandated training.
